

STUDENT CONDUCT POLICIES

As an Authorized Signer, our organization agrees to comply with the UC and UCI policies and procedures set-forth in Section 100.00-105.00 in the University of California Policies Applying to Campus Activities, Organizations, and Students. Unless otherwise noted, these policies and procedures shall similarly apply to individual students as well as Registered Campus Organizations. If, as part of the activities of a Registered Campus Organization, individual students violate the standards of conduct, the organization as a whole may be subject to disciplinary action.
