ROLES & TIPS FOR:

SOCIAL CHAIR

Collab with other orgs!

- This is one way to expand the social network of the organization.
- Encourage your club members to make new connections!

ON-CAMPUS EVENTS

- Be aware of events happening on campus!
- Encourage club members to go as a group!
- Promote any events that might cater to the specific interests of club members.

Be Creative!

- It might be hard to get people engaged in club activities, so make sure to have fun activities ready to break any tension!

Plan Social Events!

- It’s your responsibility to plan the social events for organization members.
- Try to find a time where most of the members are available.
- Be aware of UCI’s insurance and risk policies for off-campus events.

MAKE SURE EVERYONE’S ENGAGED!

- If someone’s shy, approach them 1:1 and build a relationship from there!
- Come up with fun activities that everyone can participate in!
